## MEMBERSHIP NEWS

### “1 for 1” Connecting Careers and Community

As member representatives of EWI of Philadelphia, we would like to encourage you to reach out to your colleagues and friends and invite them to a meeting so that they can learn more about EWI and all that we offer. By connecting with new firms and developing new relationships we can grow and do more for the community. If each member brings in one new member, we could double our membership development by the end of year!

We are also developing a Testimonial page of what EWI means to you, and would appreciate you sending us your comments that we may be able to use in an EWI of Philadelphia Chapter brochure that we could share with members, prospects and colleagues.

To help with this New Membership Drive, we are pleased to announce for the next 6 new members until June 1, 2010 the cost will only be \$250 (normal first year fee is \$385). If you know someone who is thinking of joining call and invite them today before all 6 new spots are taken!
